Benefits of PCMH Support Group:

- meet other parents with children who have similar challenges
 - find encouragement and emotional support
- learn strategies to help your child or youth at home/school
 - learn how to access resources in the community

PCMH is the only provincial, family-led, non-profit organization that provides a voice for families who face the challenges of child and youth mental health issues. PCMH provides support, education, and linkage between families, communities, agencies and government. PCMH believes in the promotion of family-centred principles of care. PCMH envisions a future in which children and youth with mental illness enjoy a high quality of life in welcoming and supportive communities.
